Dear Sir

We have introduced a new Digital Book Platform, features 14 different practice areas of international law, containing more than 2,500 book titles. All new books are added as they are published. The Digital Book Platform can be explored from any digital device (PC, tablet, mobile). I would like to share some details and pricing for digital book platform. In case you are interested.

You just need to pick & choose the book, price is irrespective of edition/autho/r title.

Note:-

1. It's a digital platform where in you can search or print the content.
2. 5% annual increment
3. During renewal you can choose to have access to the same titles or choose new ones instead. Eg. out of 50 titles, during renewal you can keep 20 same titles from the list and you can pick 30 new titles. So by choosing 1 category, you can even access all the books over the period of time.
4. You can get the usage report also
