STATEMENT OF OBJECTS AND REASONS

The National Academy of Legal Studies and Research University Act was enacted in the year 1998 as Act No. 34 of 1998 and consequent on bifurcation of the State and the bifurcation of the High Court, it felt necessary to amend the said Act for substituting the words 'Andhra Pradesh' with the word 'Telangana' and for the words 'High Court for the State of Andhra Pradesh' with the words 'High Court for the State of Telangana'.

Further section 5A of the NALSAR Act, 1998 provides for reservation of seats for admission of the students into the courses and 20% of the seats are reserved for resident students of Telangana. According to the said provision, there shall be reservation of seats in the courses in favour of Schedule Castes, Scheduled Tribes, Physically challenged persons, Women and resident students of Telangana as may be prescribed.

No reservations for Backward Classes or Other Backward Classes have been provided in the Act.

However, the University have provided BC/OBC reservations in the Resident Students of Telangana quota of 20 percent of the intake. But BC/OBC reservations have not been provided in the 80% of the seats in All India Quota.

Representations have been received for providing reservations for Backward Classes or Other Backward Classes for admission of students into the courses of the University.

The Government after careful examination of the matter decided to provide reservations for Backward Classes or Other Backward Classes for admission of students into the courses of the University and also decided to enhance the quota of Resident Students of Telangana from twenty percent (20%) to twenty five percent (25%).

This bill seeks to give effect to the above decision.

Explanatory note:

The Executive Council at its meeting held on July 19, 2014 while approving the Regulations for the proposed 3-year LL.B. Degree Programme approved the increase of intake from 80 to 120 making two sections of 60 each for the 5-year B.A.,LL.B.(Hons.) programme. The Executive Council further suggested that the University should write to the Bar Council of India to obtain its approval. As per the decision of the Executive Council, we requested the Bar Council of India to inspect the NALSAR University of Law for extension of approval of affiliation. The Inspection Committee after inspecting the facilities and also the Faculty of the University, recommended for grant of affiliation by the Bar Council of India for the proposed increase in the intake.

The Bar Council of India vide letter No.BCK:D:377/3015 (LE), dated February 23, 2015 accorded extension of approval for running 5-year B.A.,LL.B.(Hons.) programme with an intake of three sections of 60 students in each section for a period of five years, i.e., from the academic year 2012-2013 to 2016-17 subject to the appointment of regular faculty to maintain the teacher - student ratio. But the University at present is proposing increase of only one section as per Executive Council's earlier decision. As per the direction of the Bar Council of India, the University is taking steps for recruitment of Faculty separately before the commencement of the next academic year.

The General Council at its meeting held on March 28, 2015 considered the proposed Academic Action Plan for the year 2015 wherein the proposal for increase of intake from 80 to 120 for the 5-Year B.A., LL.B. (Hons.) was

discussed and the Council suggested the recruitment of required Faculty before increasing one more section for 5-Year B.A., LL.B. (Hons.). As suggested by the General Council steps have been initiated for the recruitment of Faculty.

In addition, as per the UGC norms, 15% seats can be allocated for Foreign Nationals. The University can allocate 18 seats for Foreign Nationals (out of 120 seats) but the increase in all the categories was made proportionately as per the existing percentage.

With regard to the 2nd and 3rd amendment proposed above, it is submitted that the same were reflected in the Regulations framed by the Executive Council, but to have all the rules regarding seats and conversion of vacant seats at one place, the said amendments were proposed in Statute – V.

During the academic year 2019 – 2020, following issues were raised with regard to the reservations provided for admission in various courses:

1) To provide OBC reservation in admissions and also to follow the Presidential Order

As mentioned above, the University is providing reservation for SC, ST, Resident Students of Telangana and also horizontal reservation for Persons

with Benchmark Disabilities and Women. **At present OBC reservation is not provided by the University in admission to the courses as the NALSAR University Act does not provide for the OBC reservation.** Some parents and students are now questioning and claiming that the University should provide reservation for OBC. On the representations received, the National Commission for Backward Classes (NCBC) also called the Vice-Chancellor for personal appearance and accordingly the Vice-Chancellor and Registrar along with the Law Secretary, Telangana State met the Member of NCBC and explained the present rule position of the University. It was further submitted to them that the Commission may make suitable recommendation to the State Government for making necessary modifications in the Act for the implementation of the OBC reservation. However, the Commission directed the University to grant one seat to the petitioner and grant her admission. As the Vice-Chancellor has no power to create a seat or to admit a specific candidate without following the merit and other admission procedure, the candidate was not admitted.

Moreover, this year another clause was inserted in Article 15 of the Constitution which provides for **10% reservation for the Economically Weaker Sections.** The amendment is under challenge in the Supreme Court and has been referred to the Constitutional Bench. The State of Telangana has not implemented this new category of reservation. The newly inserted explanation to Article 15 clearly says that Economically Weaker Sections shall be such as may be notified by the State from time to time on the basis of family income and other indicators of economic disadvantage.

2) To admit SC / ST students belonging to Telangana State only under the SC / ST Category

The University has **provided 15% seats for All India SC and 7.5% seats for the All India ST category candidates from out of the All India Seats.** Further, **from out of the 20% seats reserved for the Resident Students of Telangana State, 15% seats are provided for the Resident Students of the Telangana SC candidates and 7.5% are provided for the Resident Students of Telangana ST candidates.** Admissions have been made accordingly. **Under the All India SC / ST category, candidates belonging to SC / ST from all over the country were admitted** based on their merit at CLAT and caste certificate issued by the concerned State Government. During the year 2019 – 2020, one candidate filed a petition before the Hon'ble High Court for the State of Telangana and **it was pointed out that under the SC / ST category only SC / ST candidates belonging to the State of Telangana should only be admitted and SC / ST candidates from other States are not entitled for admission under the said categories.**

The petitioners presented the following judgments before the Hon'ble High Court for the State of Telangana:

4. Judgment of Hon'ble Karnataka High Court in Lolaksha v. The Convener (CLAT-2009), NALSAR University of Law and others

The Hon'ble High Court has to decide the meaning of "migration". In our opinion students who are admitted under All India SC / ST category are not migrants to the State of Telangana as they did not come to the State of Telangana prior to their admission.

3) Further decision has to be taken on providing seats for Foreign Nationals over and above the sanctioned intake

In addition to the aforementioned issues, it is further submitted that the University proposes some modification in the intake and admission process in the Foreign Nationals Category. Clause 4.7 of the UGC (Categorisation of Universities (only) for Grant of Graded Autonomy) Regulations, 2018 lays down that Category – I **Universities shall be free to admit foreign students on merit, subject to a maximum of 20% over and above of the strength of their approved domestic students.** Universities would be free to fix and charge fees from foreign students without any restriction.

At present University provides 15 seats for foreign nationals (07 for SAARC and 08 for Non-SAARC Candidates) within the sanctioned intake of 120 (105 through CLAT and 15 for Foreign Nationals). In case of LL.M., 10 seats are provided for foreign nationals (05 for SAARC and 05 for Non-SAARC Candidates) within the sanctioned intake of 60 (50 through CLAT and 10 for Foreign Nationals). **As the University has now been recognized as Category – I University, it is proposed to provide 20% seats as per the UGC Regulations, i.e., 24 seats in B.A., LL.B. (Hons.) and 12 seats in LL.M. which will be in addition to the sanctioned intake of 120 and 60 respectively. The break up will now be as follows**

	B.A., LL.B. (Hons.)	LL.M.
Intake through CLAT	120	60
Additional Seats through CLAT	03	03
Foreign Nationals (20% over and above the domestic students)	24	12
