5.6.2 Transgender Facilities:

Hyderabad: The National Academy of Legal Studies and Research (NALSAR) in Shamirpet, Hyderabad, is fostering diversity and inclusion on the campus. NALSAR has designated a gender-neutral space and a washroom in the university to LGBTQ+ students. Plans to move towards a gender-neutral hostel are also in motion.

In an official statement from the University of Law, it was announced: "We are pleased to share that in our endeavour to make our campus a truly inclusive space, the ground floor of GH-6 has been designated as a gender neutral space with rooms allotted to students self-identifying as members of the LGBTQ+ community, with plans to move towards a gender-neutral hostel in due course."

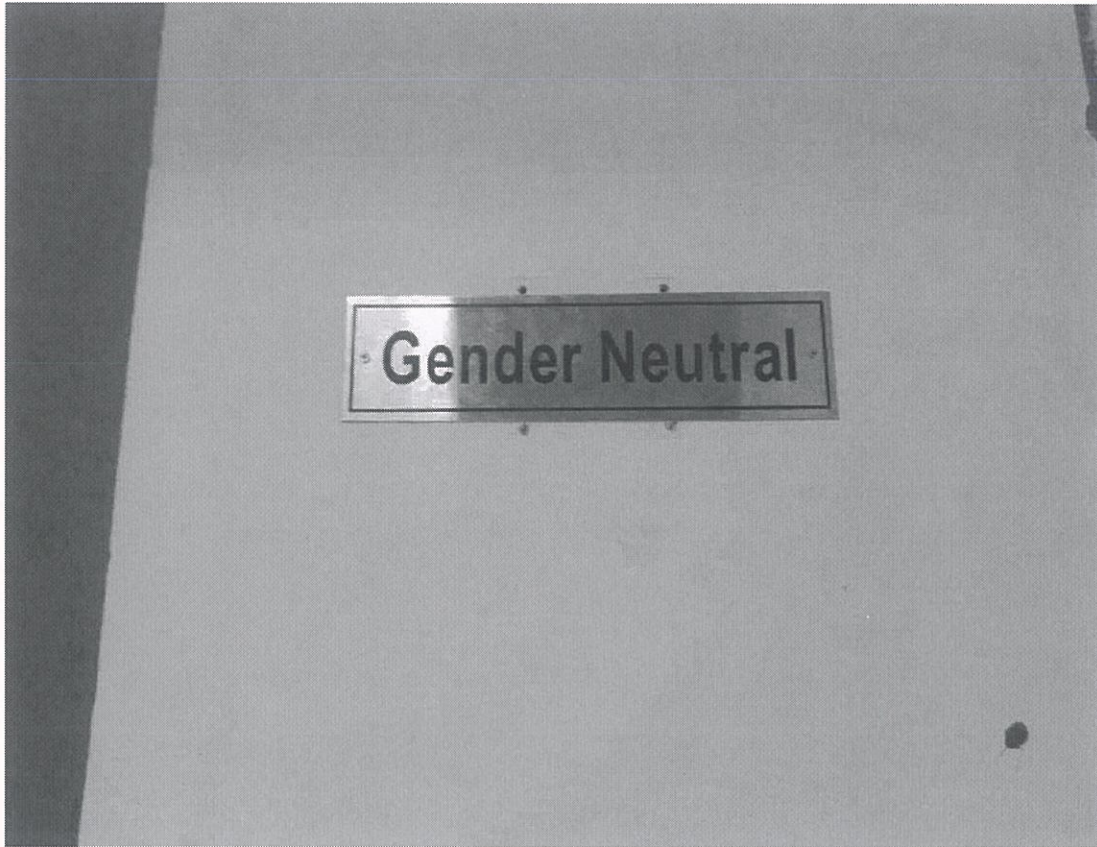

NALSAR further added that the washroom on the ground floor of the academic block has also been designated as a gender-neutral washroom. "The University already has an interim policy in place to address inclusivity concerns of the LGBTQ+ community, and is in the process of drafting a final policy," the statement added.

The draft policy is set to introduce many changes in the coming days, including name and pronoun change options, and counselling.
