University has been categorized by the University Grants Commission as Category-I University as per the UGC (Categorization of Universities (Only) for grant of Graded Autonomy) Regulations, 2018 to offer programmes through Open and Distance Learning (ODL) Mode without the approval of the UGC.

Recommendations of CIQA during the year 2022

During the year under report two meetings of CIQA were conducted, one on May 23, 2022 and the other on October 15, 2022.

At the first meeting held on May 23, 2022, the members of the CIQA considered and approved the Admission Notification, Online Admission Form and the Academic Schedules for the year 2022-2023. The CIQA also accorded its approval for conduct of the First Semester (Repeat) Examinations; Second Semester End Semester Examinations and Annual Examinations as Take Home Examination for the batch admitted during the year 2021-2022 and accordingly the examinations were conducted during June and July, 2022. The members of CIQA also approved waiving off the attendance requirement for the Repeat Examinations subject to an undertaking from the candidates that they have gone through the video recordings

of the classes on the website and they are responsible for their performance at the examinations. The CIQA recommended that the University should appoint Research Associates and also full-time Faculty Members at CDOE to attend to the academic work and also to comply with the UGC Regulations. The CIQA also recommended for reduction of the fee for the M.A. (Animal Protection Laws) and the Advanced Diploma in Animal Protection Laws to encourage the interested public to take up the said programmes. The draft 2nd Amendment to the UGC (ODL Programmes & Online Programmes) Regulations, 2020 were considered by the CIQA. However, all the amendments as circulated in the draft amendment were not yet notified by the UGC. The CIQA also recommended provision of 10% fee concession for candidates nominated by corporates, NGOs or other institutions subject to at least five or more candidates per programme per year.

The second meeting of the CIQA was held on October 15, 2022 and the members noted that the admissions for the year 2022-2023 were completed and a total of 1850 candidates enrolled for all the programmes offered by the University. The members considering the difficulty faced by the enrolled candidates who are majorly working professionals suggested to conduct the classes in online and / or blended mode. The members suggested that the examinations for the new batch may be conducted physically preferably at campus as the situation has now become normal. However, the members suggested that depending on the need, the Vice-Chancellor may decide on conducting the exam at different cities also for the convenience of the students. However, the CIQA suggested that the II Semester Repeat Examinations and Supplementary Examinations for the batch admitted during the year 2021-2022 may be conducted as Take Home Examinations to have uniformity in assessing the performance of the candidates of that particular batch during that year. The CIQA also considered the proposal of starting of new programmes in the areas of Corporate Law and Employment Laws & Human Resource Management. The CIQA also approved the proposal of starting of Short Term Online Programmes by the CDOE as the University has the required facilities and equipment in place.

12. PROCUREMENT / UP-GRADATION OF IT INFRASTRUCTURE

- **Smart classrooms with Blended Technology Integrated**

University had commissioned the work of converting fifteen (15 Nos) existing classrooms and conference hall as Smart Classrooms with Blended technology, which was taken up with a budget of Rs. 5.25 crores plus GST. The project was completed by Broadcast Engineering Consultants India Limited (BECIL), Government of India enterprise with applicable service charges. During the academic session 2022-2023, university could accommodate the request of nearly 26 students to join the physical classrooms from remote location and continue their education without any academic breakage. University could host 2x more talks and events using this blended technology than last year. This semester university has used this technology to the fullest by live streaming and multicasting of eight classrooms activities such as mandatories, electives and clinics courses. All the conferences, workshops, moot events, debating competition were live streamed using this technology and is made available on NALSAR Youtube Channel.

- Up-upgraded the existing Wi-Fi Network in the campus with multi SSID WIFI signals for better bandwidth distribution and priority allocation at selected academic spaces. We have upgraded our WIFI Access points from 250 to 340 No's which has increased our wifi coverage area from 60 % to 75% of the entire campus.
- Established state-of-art Podcast facility of six mic and multi three camera setup.

NALSAR YouTube Channel

Continuing the initiation of enhancing the digital presence of the University, the official YouTube channel bearing the name 'NALSAR University of Law' was updated by uploading recordings of guest lectures as well as sessions that are part of conferences, workshops, training programmes. University also uploaded the recordings of the short courses taught by foreign experts. As of now, there are more than 600 videos available on this channel, with nearly **55,000 subscribers and 3 million views. In the year 2022 itself, there were 5,000 new subscribers with substantial number of views to the channel.** We are thus helping students of other law schools and colleges and contributing to Continuing Legal Education even for lawyers and judges. In the coming years, the University aims to upload more content which will help us in the dissemination of legal knowledge. 22. STUDENTS ACCOMPLISHMENTS / ACHIEVEMENTS

A) Student Bar Council

During the year under report the Student Bar Council elections were held on September 23, 2022. Eleven functional Committees, viz., Academic; Alternative Dispute Resolution; Moot Court; Literary and Quizzing; Cultural and Fine Arts; Mess and Hospitality; Hostel and Campus Welfare; Debating; Sports; Social Responsibility and Student Welfare and the Board of Auditors were elected. The new office bearers for the year 2022 took oath of office on September 23, 2022.

The office bearers of the SBC for the year 2022-23 are Bhawani Singh Rajpurohit (President), Aishwarya Rautela (Vice-President), Pival Krishna Peddireddi (General Secretary-Male), Anjalika Sinha (General Secretary-Female), Akhil Surya (Joint Secretary-Male), Ameesha Rayamajhi (Joint Secretary-Female) and Vedika Singh (Treasurer).

B) ACADEMIC COMMITTEE

The SBC Academic Committee has undertaken several initiatives under its term for the welfare of the student body as well as for the University. The SBC Academic Committee has assisted the Library Committee in the setting up of the state-of-the-art NALSAR Accessibility Lab for students with visual impairment, which is equipped with cutting edge technology and provides access to hardware and software which aids the visually challenged students to access all materials, including the reading material in mandatory courses, in an accessible format.

The Committee has assisted the Library Committee for procurement of resources worth Rs. 3.75 Cr, by collating the feedback from the students regarding the existing resources, as well as gauging the interest for other resources which the students require. The Committee has also continued to maintain NALSAR Forums for the remainder of the semesters where there have been online/hybrid classes.

The Committee has assisted the University's Academic Committee in proposing amendments to the Academic Regulations, and has undertaken a survey of the grading scales of multiple universities to come up with the newly introduced 10-point grading scale. Additionally, the Committee is also undertaking the task of drafting a policy for Persons with Disabilities, which provides support for PWD students in NALSAR - and a draft of this report has been submitted to the University for further consideration.

The Committee has assisted the IT Department in the implementation of the new hybrid classrooms project by constantly being part of the process and proposing changes and vetting the technologies which are being implemented.

The following are the Academic Achievements which have been reported by the students in the target Academic Years:

F. SOCIAL RESPONSIBILITY AND STUDENT WELFARE COMMITTEE

The main aim of the Social Responsibility and Student Welfare Committee is reflected in its name; some of the major duties include the maintenance of the internet and related infrastructure on campus, overseeing the student orientation and mentor-mentee programs, providing logistical and financial support to legal aid activities and ensuring the maintenance of healthcare and related services on campus. These responsibilities, along with others, have been laid down in Article 21 of the Student Bar Council Constitution.

In the Semester which ran from Jan-April 2022, the Committee undertook the following major tasks:

Faculty Mentorship Programme [February onwards] - SRSWC coordinated with the Faculty at NALSAR in facilitating a Faculty Mentorship Programme with a focus on developing specific foundational skills required for the legal profession, including the basics of academic and legal writing, researching, and drafting.

Food truck on campus [March onwards] - SRSWC coordinated with the administration to provide Le Bistro food truck on campus every week.

Covid testing [March onwards] - SRSWC coordinated with the health center to conduct covid testing inside the campus for the students.

Vaccination for puppies [March] - SRSWC provided for the vaccination of the puppies on campus to ensure the safety of the students on campus.

Cleanliness drive [March] - SRSWC conducted a cleanliness drive for some common areas on campus in which the students of NALSAR volunteered to clean the campus.

Increase in the Laptop Bank [March] - The SRSWC ensured the distribution and maintenance of the university's laptop bank for the students to use during emergencies in coordination with the IT Department. The Laptop Bank was increased to include 50 laptops that could be borrowed by the students in emergencies.

Resolution of issues in GH1 and GH7 [April] - SRSWC coordinated with the residents of the GH and the Engineering Department in helping to resolve the various issues in the GH relating to their rooms, washrooms, and the various common areas.

Opening of Ping's Kitchen [April] - SRSWC coordinated with the administration to facilitate the opening of Ping's kitchen near the GH Hostel.

In the Semester which ran from July-October 2022, the committee undertook the following major tasks:

Anti-ragging cell [July] - SRSWC constituted the Anti-Ragging cell in coordination with the wardens of NALSAR in accordance with the UGC Anti-ragging guidelines to prohibit, prevent and eliminate the scourge of ragging.

Cycle repair [July] - Cycles on campus (which are rented out for a nominal amount) were repaired several times from the annual SBC budget. The SRSWC redistributed the number of cycles among the hostel complexes of the campus. The committee ensured that an equal number of cycles were present in the BH complex and GH complex.

Mentorship program for Batch of 2027 [August] - The SRSWC undertook its annual mentorship program that the committee undertakes. This year there was an increased number of mentors, which were available for the Batch of 2027 to choose from.

Update of Medical SOP [September onwards] - SRSWC undertook the task of creating a medical SOP, which includes the details of the medical officers operational on campus, the list of ambulance drivers and their phone numbers, nearby hospitals, and steps to be undertaken in cases of snake bite and other

emergencies. QR codes for the same will also be made available across the campus.

E-newspaper Group [September onwards]- SRSWC runs an e-newspaper group where it posts copies of all the prominent newspapers in India to cater to students' needs who are preparing for competitive exams or are generally interested in reading newspapers.

Mentorship Feedback for the Batch of 2026 and 2027 [September] - SRSWC circulated a Mentorship Feedback Form for the Batches of 2026 and Batch of 2027 to know about the student's experience and any suggestions that they may have for similar future endeavors. This will also help us improve our mentorship program to better cater to the student's needs.

Laptop servicing [September onwards]- SRSWC coordinated a Laptop Service Camp on the campus, in coordination with an external vendor, SRI GLOBAL TECHNOLOGIES, where student laptops or any other devices can be repaired or serviced. This has now become a weekly workshop, and students avail of the services at a subsidized rate.

Procurement of first aid boxes [October] - SRSWC coordinated with the health center and the administration to procure first aid boxes and supplies for all the hostels, mess, and main gate of NALSAR, so that immediate first aid is available to the students in cases of emergencies.

Scholarship Orientation [3rd October] - SRSWC conducted a scholarship orientation for the students and especially Batch of 2027, introducing them to the NALSAR Scholarship policy and the process to avail of it and also giving a brief on the various Central Government scholarships available.

NALSAR Dogs sub-committee [October] - In light of the various concerns flagged out by the students and the faculty at NALSAR, SRSWC came up with a separate ad-hoc committee, which could reduce the dog-human conflict inside the campus. The members shall be responsible for looking into the treatment of dogs on campus, organizing sensitization sessions regarding the treatment of dogs, taking care of the vaccination and sterilization of dogs, enforcing measures such that dogs do not enter hostels and the mess, identifying feeding spots for dogs not in and around the mess, eateries, hostels, and Academic Block and undertaking any other functions pertaining to the maintenance of the campus and its dogs.

Internet connection in mess [October]- The SRSWC ensured that the UPS connection was extended to the mess. The lines that were cut off due to the construction work for the extension of the mess were thus restored.

Expansion of sitting area near Stadium eateries [October] - SRSWC has proposed clearing of the grass and expansion of the stone pathway from the Cycle Shed to the Volleyball court, Installation of benches and tables in the cleared-out space & near the Volleyball court, Construction of 3 Toilet stalls in the area next to the stadium [Acad-block facing side] [Male/Female/Gender-

Neutral], Installation of Dustbins [Volleyball Court Side & Acad-block facing side], Demolition of the Toilet on the interior staircase and its conversion to SBC Storeroom, Canopy for additional benches, Electrical Points [16A] on the Stadium Seating Area, Water Cooler on the Stadium Seating Area and Repainting of the Stadium after the completion of civil works. The same has been accented to by the Registrar, and work on the same will begin soon.

Drinking water pipeline to the Auditorium [October] - SRSWC proposed an extension of a drinking water pipeline from either the Admin Block / Mess / CC, whichever is feasible, and the installation of a drinking water dispenser at the auditorium. This was done in light of several requests from the student body & faculty who use the Auditorium Badminton Court and in light of the Trilateral Sports Competition next semester and several events hosted in the Auditorium throughout the year. The same has been accented to by the Registrar, and work on it will begin soon.

Facilities at the main gate [October] - SRSWC proposed the extension of the following facilities near the main gate in light of several requests from the student body, faculty, staff, and guards. The existing guard room at the main gate is extremely small, both in size and also lacks the minimum facilities that are required. The proposal contained the extension of a water cooler for drinking water, a water pipeline for drinking water, expansion of the guard room at the Main Gate, a Seating Area near the Guard Room, Coolers, and Three Toilet / Washroom / Changing Room at the Main Gate [Male/Female/Gender-Neutral]. This has been accented to by the Registrar, and work on the same is expected to begin soon.

New Model of Dustbins to be installed in the Hostels [October] - In light of several requests from the student body and the hygiene problems and litter created by the dogs and monkeys by toppling the dustbins inside the Girls and the Boys Hostel, SRSWC coordinated with the Dogs Sub-Committee to propose a new model of monkey-proof dustbins welded to the wall/railings with a metal ring-like structure covering them to prevent toppling of dustbins by the dogs and monkeys. The said proposal was discussed with the engineering department and found feasible and effective. Accordingly, we have obtained the Registrar's consent and hope that the problem is resolved before the beginning of the next semester.

SRSWC Student Mentorship Report 2022

The Social Responsibility and Student Welfare Committee runs a mentorship program every year for the I year students. This year we conducted the mentorship program for the Batch of 2027 in August 2022.

In this program, each First-Year student is allotted two mentors by filling in their preferences in a google form. This is done after reading through the profiles of the mentors, which we collect by making the mentors answer a "Know Your Mentor" question. This is mandatory, the reasons being the positive feedback on the idea and further considering the 1st years' limited interaction with seniors, this is to help them make an informed choice based on the language spoken, shared interests, or any other thing that they may find interesting.

For the year 2022, a total of 212 students from the II, III, IV and V years applied to be the mentors for 155 students from the Batch of 2027 (I years).

After allotting the students with their mentors, the Committee makes sure that the students are able to contact their mentors and establish a conversation. We further take active feedback from the students on their experience with their mentors and strive to improve our mentorship program every year.

Feedback:

There has generally been a good response to the mentorship program, and it has helped a lot of students in coping with academics and life at NALSAR. After analyzing the feedback from various students, we decided to adopt some measures to ensure the smooth and efficient run of the mentorship program.

- Mentors were encouraged to establish contact with their mentees and check on them frequently instead of putting the burden on the mentees to establish contact.
- Further, we make sure that both mentors are neither allotted from the V years batch as they will be graduating in a year nor allotted from the II year batch. Hence, we try to balance the allotment of mentors from the senior and junior batches.

E-Cell:

The Entrepreneurship Cell (E-Cell) of DoMS, NALSAR University of Law has been making waves in the entrepreneurial world since its establishment in August 2022. Under the mentorship of Prof. CA Praveen Munukutla, Prof. Somdutta Banerjee, and Prof. Niharika Salar, the E-Cell has organized a plethora of events that have inspired and educated young entrepreneurs.

The journey started with #Udbhav- the inaugural event, where notable entrepreneurs such as Ms Shireen Sultana, Ms Somdutta Banerjee, and Dr

Nandita Sethi shared their invaluable insights. Over 150 undergraduate and postgraduate students attended the event and gained valuable knowledge about entrepreneurship.

The E-Cell also organized a series of pan India online workshops on "#decoding D2C Ecosystem," featuring notable entrepreneurs such as Mr Anurag Kedia from Pilgrim, Mr Harsh Kedia from A Diabetic Chef, Mr. Abhay Tandon from TVS Motors, Mr. Arman Sood from Sleepy Owl, and Mr. Sairaj Dhond from Wakao Foods. These workshops covered various aspects of brand building, effective D2C brand strategies, tech innovation for D2C brands, leveraging data and insights, and creating and nurturing customer loyalty. We also organised individual sessions with Ms Deepti Tandon Co-founder of Jeevansathi and Coffee mug.ai.

On 27th January, the E-Cell organized a session on "How to Build Your Career in Metaverse" powered by NextMeet. The session covered topics such as an overview of the metaverse and its use cases, jobs and career opportunities in the metaverse, and layers of the metaverse such as Blockchain, NFT, Crypto, XR, etc. The event was hosted inside NextMeet Core, a Metaverse Platform for Meetups and Training, providing attendees with a virtual experience of remote working, collaboration, meetings, distance learning, and networking from across the world.

The E-Cell also collaborated with Cinephilia (Movie Club of DoMS Nalsar) to host a special movie screening event featuring "The Social Network," a movie that tells the inspiring story of how Mark Zuckerberg and his friends created Facebook, a world-changing company, through their hard work and determination.

In addition, the E-Cell has consistently posted case studies and updated its glossary to provide value to its audience. E-Cell has also launched an exclusive community with Metvy, where students can access workshops and curated content on entrepreneurship, business, consultancy, and much more.

The E-Cell, in collaboration with clubs like Marketing, HR, and Data Analytics, hosted an event in ZERA- the cultural fest of IPM, called Digi-It: Innovate to Elevate. The event saw an overwhelming response from students across elite universities in India, with 150+ registrations and 8500+ impressions. The competition consisted of three rounds covering entrepreneurship, data analytics, human resources, and marketing, providing participants with an opportunity to showcase their skills and understanding of these domains.

To further inspire and educate young entrepreneurs, the E-Cell recently hosted an "E-Basics Bootcamp," a two-day entrepreneurship boot camp in collaboration with The Entrepreneurship Zone (TEZ) on the 30th and 31st of March 2023. The boot camp covered various topics essential for entrepreneurs and business leaders, including the basics of entrepreneurship, the idea validation process, defining the market and sizing the opportunity, determining the startup vision, mission and unique value proposition, business model archetypes/examples, business model canvas, planning for resources – funding the business, and making a business plan for financial, operational, HR & marketing.

In conclusion, the E-Cell of DoMS, NALSAR University of Law has been doing an excellent job of inspiring and educating young entrepreneurs through various events, workshops, and collaborations.

Media and PR Cell

The Media and PR Cell has been working continuously under the aegis of Dr. Vivek Pani and Dr. Deepti Jog. The cell is instrumental in building the visibility of the Department across various media. Over the last two years, the Media and PR Cell was instrumental in designing various communications to address all the stakeholders of the Department. The cell developed brochures for both MBA and IPM batches and will also play a crucial role in the induction of both the batches.
