The LL.M course offered by the National Academy of Legal Studies and Research (NALSAR University of Law, Hyderabad) in collaboration with Indian Institute of Corporate Affairs (IICA, New Delhi) is a first of its kind LL.M. Degree program in Insolvency & Bankruptcy Law. India has a huge market for helping distressed and bankrupt companies come out of financial difficulty. However, it faces a huge shortage of bankruptcy professionals who can oversee this process. The number of Insolvency Professionals and Insolvency Associates is very less considering the number of filings taking place every day at NCLT. Therefore, there is a serious need to produce good insolvency associates and ecosystem for providing support to IPs, IPA, Consultancies, Law Firms, ARCs and Academia. Therefore, the Master level course in Insolvency & Bankruptcy Laws is the need of the hour. There is a vacuum in this area in the legal educational system in the country and this course seeks to fill up this vacuum.
